

The Omineca Beetle Action Coalition Wants to Hear From You!

All residents are welcome and encouraged to attend the Fort St. James Community Dialogue Session

The Omineca Beetle Action Coalition (OBAC) is a coalition of community leaders working to plan and act collectively to coordinate community and rural settlements' responses to the pine beetle epidemic across the Highway 16 west region.

Together we can be more effective in taking action that responds to challenges, seizes opportunities and supports long-term sustainability and a bright future for our region.

We need your input

Please join us at the Fort St. James Community Dialogue Session to find out more about the OBAC, help identify our region's challenges and opportunities and, tell the OBAC what is important to you and how this initiative can help to move things forward.

Date: Monday May 15th 2006

Open House Session: 3:00pm to 5:00pm

Facilitated Forum Discussion: Information at 6:30pm; Session 7:00pm to 9:00pm
